

# ARTIFICIAL INTELLIGENCE CONTEST

Send in your A.I. idea and be entered to win a

90 minutes FREE Guest Pass from Uptown Jungle. 10 lucky winners!

## What Can A.I. Do for You?

What can A.I., or Artificial Intelligence, do for you now and in the future? Do you already use some type of A.I.? You probably do. Just pick up a phone or open a laptop, and you are likely to be using some programs or apps that employ A.I.

### Examples of AI you might commonly see:

Google fills in your search for you.

A Roomba cleans the floor.

Netflix or Spotify recommend something you might like.

Siri or Alexa answer a question for you.

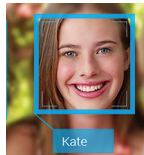

Photo programs group images based on facial recognition.

**W**hat do you want a computer or robot to be able to do for you? How do you think A.I. can help you in the future? Draw a picture or write a description of your idea of a future robot and what it can do!!!
