

Name: _____ Date: _____

Bear Essential News is here and is written just for you. Use Bear's February edition to complete these activities.

News Highlights & In the Spotlight (page 5 Tucson Edition, page 3 Phoenix Edition)
Read the football News Highlights story, and find its 5W's & H:

Who _____

Where _____

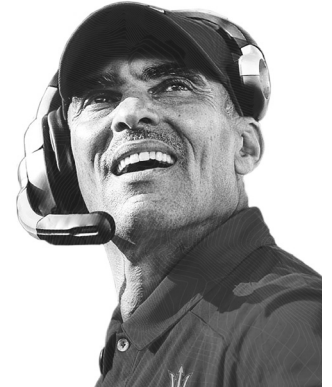

What _____

When _____

Why _____

How _____

Pretend you're a football analyst, which team, ASU or the UofA, made the better choice for its new head coach? Why?

Mona's Kitchen (a food-tastic 12-page pullout section in Bear's February Edition brought to you by ASU Sustainability Solutions Initiatives) Good food helps bring people together.

1. Using the page with the world map, find the food you eat that originates the farthest from you, then figure out that distance in miles!

2. How is a Chia Pet really just a type of modern-day olla?

3. What are three things you like best about sitting down to eat with family or friends?

Scien-Tastic!—Word Learning (brought to you by UofA College of Science)

Learn about the important work of a speech-language pathologist.

1. There are more than 600,000 words defined in a big English dictionary. Why are words so important to humanity?

2. What do you feel are the three most important things that a speech-language pathologist can help with?

February WORK SHEETS

Name: _____ Date: _____

VOCABULARY

Power Word Scramble!

Power Words appear capitalized and in bold face each month in *Bear Essential News*.

For February, they are all found on the News Highlights and In the Spotlight stories (page 3 of the Phoenix Edition, page 5 of the Tucson Edition).

Unscramble the letters to figure out each Power Word and come up with a definition for each word as they're used in the newspaper this month!
