

Name: _____ Date: _____

Bear Essential News is here! Enjoy the “Wild Arizona Adventures” feature and good luck on your testing! Use *Bear’s* April edition to complete these activities.

News Highlights & In the Spotlight (page 5)

News stories cover the 5W’s & H—the Who, What, Why, Where, When and How of the story. But usually one of these facts plays a dominant role. Read the two News Highlights stories and In the Spotlight on page 5, and write down the most important fact of each story.

News Highlights Story #1 dominant fact _____

News Highlights Story #2 dominant fact _____

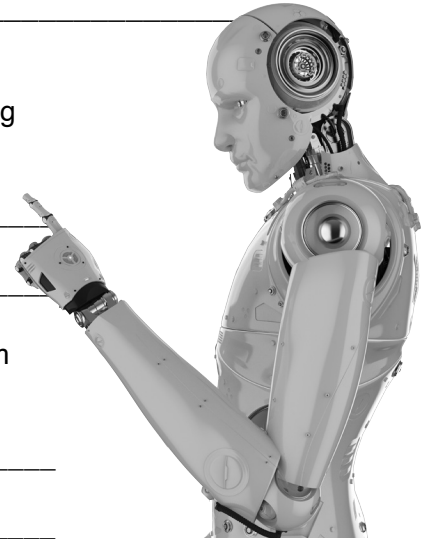

In the Spotlight dominant fact _____

A good newswriter places the most important facts up at the top of a news story in the first paragraph (called the “lead”) and follows it with less important facts. Why do you think news is written in this inverted pyramid structure?

Main Feature: Our Future with Artificial Intelligence

1. Have fun thinking of three dangers that Artificial Intelligence (including machine learning) could bring about in a worst-case scenario:

2. Do the contest on the following page of the paper, showing what form you’d like to see artificial intelligence or machine learning take.

Boomer Bear’s Summer Camps Guide for 2019:

1. Look through the different summer camps in the listings part of the guide. Which two interest you the most and why?

2. Which camp do you think would teach you the most, and what kinds of things would you like to learn there?
